

WHY CHOOSE US?

Established since 2012, we live and breathe photobooths. As successful booth operators ourselves, we understand what it takes to compete in today's market. We have been helping people establish their business all across Australia. Portable and easy to setup, our stylish booths produce amazing quality photos! Coupled with our sister company, 'Photobooth Design Co.' we supply photobooth related accessories all across the world. Quality PVC props, backdrops, templates! When you purchase a booth from us, you'll have access to discounted rates to our sister company!

SOFTWARE FEATURES

We use 'DSRLBooth' software, which is user friendly, easy to learn and has all the advanced features that you would expect from a modern photobooth. Some of these features include:

- fully automated
- customisable prints, GIFs and videos
- photo filters
- video messaging
- video + music
- animated GIFs
- boomerang
- greenscreen replacement
- built-in template editor
- social sharing + QR codes
- custom surveys
- data capture
- virtual assistant
- monitor booth remotely via app.
- cloud enabled
- touch free technology

"EASY TO USE, EASY TO LEARN, FULLY
AUTOMATED, PHOTOBOOTH
SOFTWARE!"

ULTRA PORTABLE

THE PHOTO POD

Smaller in size, quick and easy to assemble, this ultra portable photo booth can be transported in any car. Complete with a printer stand and rolling hard case to conveniently transport the booth. Select from a white or black front face panel.

We provide a complete solution or a DIY option (enclosure and travel cases without the electronics). The DIY option is perfect for those that may already own most of the electronic devices.

Inclusions	Complete	DIY
Enclosure	✓	✓
Quad-stand	✓	✓
Printer table	✓	✓
PC (i5)/ Touch screen	✓	✗
Canon DSLR	✓	✗
Lighting	✓	✗
Software	✓	✗
Dye sub printer (QW410)	✓	✗
Rolling hard case	✓	✓
Price (AUD\$) Excl. GST	\$8,800	\$5,650

THE TOWER

All-in-one open style photobooth with an 18" touchscreen and a beautiful strobe/beauty dish for amazing quality photos. Share socially direct from the booth, or connect your iPad to the side enclosure and alleviate the line to use the booth. Printer is housed inside. By adding an additional front panel, this unit can also be used as an Instagram/Hashtag printer.

It packs down conveniently to fit into most 5 door vehicles (hatch backs, 4wd, station wagons, some sedans)

THE BOOTH BOX

ENCLOSED OR OPEN

THE CLASSIC

‘The Classic’, a modern yet traditional enclosed photobooth. It has the same nostalgia as the old-school photobooths, but fitted with modern digital technology. It has the versatility to setup as a traditional enclosed style photobooth, as well the ability to setup as an open style photobooth.

It packs down conveniently to fit into most 5 door vehicles (hatch backs, 4wd, station wagons)

THE SOCIALIGHT

A portable and compact open photobooth design with an attractive ring light, this photo booth concept is an all in one solution, with the printer housed inside the unit. Additional features can include a camera tilt button to capture the tallest or the shortest guests. Flexible options also include a detachable social ipad kiosk which can be attached to the side to help speed up the lines, and gets people sharing onto social media. Portable and compact, and complete setup in less than 10 mins. Fits into most 5 door vehicles.

THE IPAD BOOTH

GIFS + BOOMERANGS

The smallest and most portable photobooth! Welcome to the digital age of modern day photobooths. The easiest photobooth setup, tilt up or down. This booth can be powered via cable or battery operated for outdoor setups (batteries not included).

iPad and software is not included in the price, we will be happy to suggest the various software/apps available. Most apps are subscription based and vary in pricing.

Optional panels available for branding.
